

TO Whom It May Concern:

This is to state that I have known **Tushar Kumar** for past 2 months, working on the Finlatics Financial Markets Experience Program. FincruX is recognised as a 'Start - Up' by Department of Industry & Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India. It is one of start - ups selected for the prestigious incubation program at Atal Incubation Centre - NMIMS, supported by the Atal Innovation Mission, under the aegis of NITI Aayog, Government of India

I was supervising Tushar Kumar for the Finlatics Financial Markets Experience Program. I found Tushar Kumar to be a very diligent and hardworking market analyst and researcher. Tushar Kumar has deep interests in finance, and has a unique way of looking at equity markets. The equity markets program was aimed at identifying stocks with high potential. Not only does Tushar Kumar engage in equity research and analysis but also implements the strategies in real - time. Stock trading ideas given by Tushar Kumar yield results, proving acumen in equity markets. Tushar Kumar has executed this program with discipline and consistency.

Tushar Kumar is keen learner, is receptive to ideas and has huge interests in financial analysis and equity markets.
